should be employed much more largely than heretofore. The annual police reports for the various Provinces shew that Native police officers when advanced to positions of trust do their work zealously and honestly. And the Governor General in Council hopes that it may be possible to appoint Natives of India more and more freely to the higher offices in these departments. But for the present His Excellency in Council is not prepared to take special steps for restricting the employment of Europeans in the six departments mentioned at clause (*d*) above.

3. An officer in Superior Service may not, except as provided in paragraph 4, charge railway-fare on any day for which he receives daily or monthly travelling allowance.

4. If an officer in Superior Service is required to travel on one day partly by railway and partly otherwise, or to make a railway journey in the course of another journey, or of a tour, then, at the discretion of his superior officer, he may be reimbursed his actual expenses not exceeding, on the whole, the amount to which he is entitled under paragraph 1 or 2 of this Resolution added to the amount to which he would be otherwise entitled, for the period occupied by the journey by railway, as daily or monthly (contract) travelling allowance.
